In as many pictures and as few words as possible, the Class of 1946 hopes to present to you a year at Hornell High School.

This has not been an ordinary year. This has been the first school year of peace since 1941. New scenes and faces have mingled with the old. It is these scenes that the senior class wishes to present in this—

MAPLE LEAF OF 1946

HELEN HARRIS

DEDICATION

Some persons have a way of radiating friendliness, so that all who come in contact with even the remotest rays feel the warmth of happiness. We have in Hornell High School such a person—Miss Helen Harris.

Wherever we meet her, in school or out, we sense that she is on our side, although in so many words she has never told us. She nods, smiles, or calls a cheery greeting, and we know. Our days in high school have become richer as we have come to realize in her, a true friend.

To Miss Helen Harris, we of the Class of 1946 dedicate this yearbook, the record of our life in Hornell High School, as an acknowledgement of the part she had in making our school life seem worthwhile.

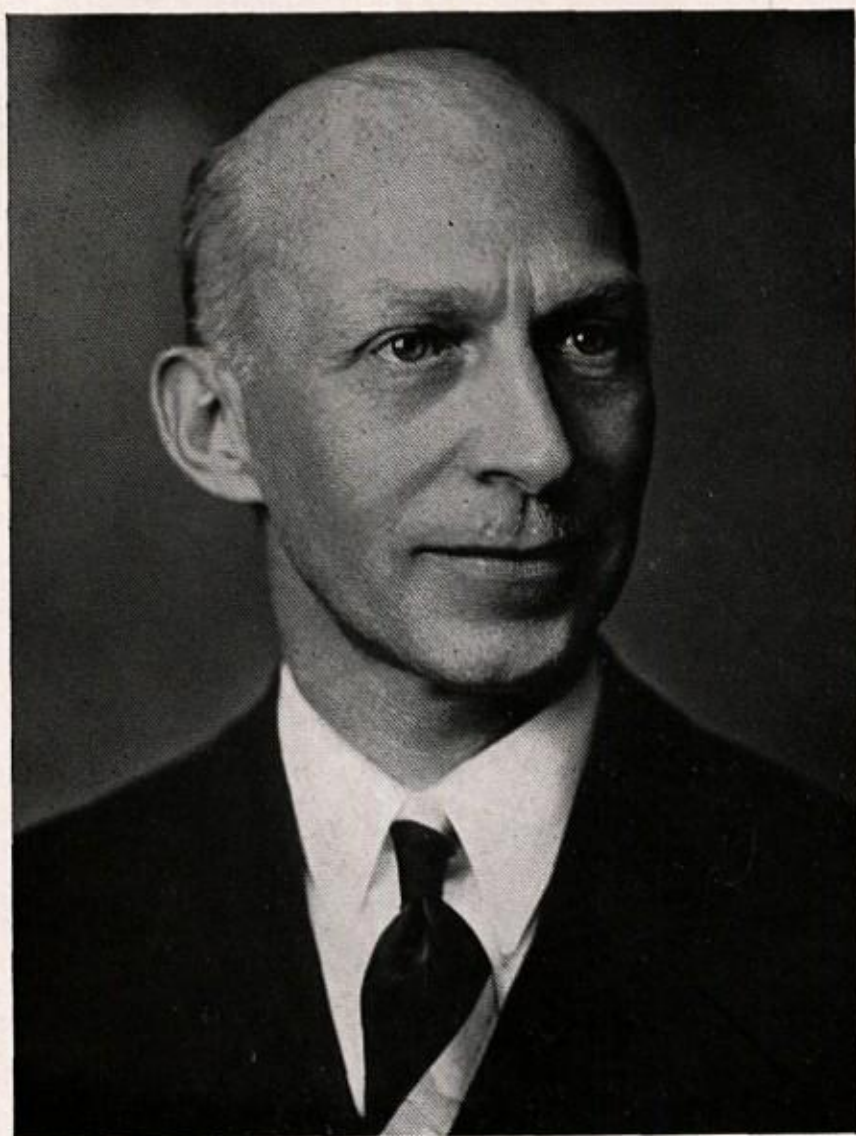

APPRECIATION

MISS SCHREIB,

To you, the inspiration of this 1946 MAPLE LEAF, we wish to extend our sincerest appreciation. Through thick and thin you have carried us on toward a seemingly impossible goal. Only through your faithful supervision is this book possible.

Our contacts with you have been both prosperous and "full of fun", and we hope that in years to come you will recall 1946 with one or two happy memories of us.

THE STAFF.

APPRECIATION

MR. ALDERMAN,

We wish to show, in some measure, our appreciation for the many things you have done for us during the past year. The Senior year is the most important of all, to students at Hornell High School, and you have helped immeasurably to make our last year memorable.

We also wish to extend our appreciation to Mr. Wasick, who served as our Junior Class advisor, and through whose efforts our Junior Year was made prosperous.

THE STAFF.

Best wishes
L. Kappeler

Adviser	-	-	-	-	-	-	-	-	MISS VIRGINIA LEAHY

For several years we have fervently looked forward to being Juniors. True to every expectation our dream has been fulfilled.

Many of you will associate our Junior Prom and Junior Assembly with your fondest memories of Hornell High School.

The Juniors are proud to be the future Class of '47 and we look toward tomorrow and our last year of school with eagerness and enthusiasm.

We have worked hard together and with the assistance of our class adviser, Miss Leahy, and other members of the faculty we have had a joyful and successful year and we wish to express our thanks for their understanding guidance and patience.

*Best of luck, always.

This year the class of 1949 has established itself as one of the outstanding classes of Hornell High School. The highlight of Freshman Day was a fine musical program to dedicate the new piano purchased by the Board of Education. To conclude its activities for the year, the class sponsored a successful Freshman Dance.

STUDENT COUNCIL

This year's Student Council, under the capable leadership of President Louis Zannieri, promoted the organization of the National Honor Society in Hornell High School.

Through the efforts of council members and its advisers, a bronze plaque, honoring World War II dead from our school, was erected in the building.

Socials and after-the-game dances hit a new high this year with a record attendance made possible by co-operation with homerooms and clubs.

Student Council Day provided presidential candidates with the opportunity to offer their campaign speeches, thereby extending the principles of a democracy in our school.

The annual banquet added to the activities and aided in bringing to a close a successful year for students and faculty.

1946 MAPLE LEAF

The editors and business staff of the 1946 MAPLE LEAF wish to extend their sincere appreciation to the many people without whose help this yearbook could never have been published; to the janitors, who took our disturbances with a smile; to Miss O'Neil, who patiently typed our pages of copy; to Mary Hasley, who designed the Ex Libris page, and to Mr. Taylor, who is responsible for the fine group pictures in the book.

We have tried to make this yearbook meet the standards set by our predecessors. The staff has spent many hours preparing this book, and we hope that it will furnish our fellow students with many happy memories of their school days.

Another year of accomplishments and months of fun have been had by the Girls' Hi-Y.

In fulfilling the purpose of this national organization, its members filled baskets with nutritious food at Thanksgiving and Christmas time. Gifts were purchased for the Children's Home to show the true spirit of the girls of the Hi-Y. Records were donated to the Fox Hole; boxes for wounded service men were sent to the Veterans' Facility at Bath; and a contribution was made toward the plaque honoring World War II dead.

The main project of the year was the publication of an Alumnae paper. The issue contained information on all former and present members of the club obtained through questionnaires. Only through the untiring efforts of Miss Schurr, Hi-Y adviser, was this paper established.

The Kiwanis luncheon in March once more renewed friendships with these generous and thoughtful men.

The activities of the year were climaxed by a banquet with the Alpha and Beta Hi-Y. This annual affair was a most enjoyable occasion and succeeded in bringing the organizations in closer harmony.

The Girls' Service Club of Hornell High School has completed many projects this year worthy of its aims—to seek, to find, to share—under the leadership of Mrs. Mary Carney. Mirrors were installed in the school, Christmas baskets were prepared in collaboration with the Girls' Hi-Y, clothing was collected for the Victory clothing drive and contributions were made to the War Fund, Polio Fund, Red Cross, and the Plaque Fund.

The club, comprised of Junior and Senior girls maintaining an average of eighty per cent or above in their school work, also sponsored a movie, "Fallen Angel," a social and an after-the-game dance. Among the social events were the luncheons, Mother and Daughter tea and annual banquet. And so at the close of its twelfth year of progress, Service Club members are proud to remember the year 1946.

The Horizon Club was organized six years ago as a civic organization and last year became a part of the school's activities. It is composed of girls in Campfire who have reached their second year of high school and completed at least two ranks in Campfire. Their purpose is to unite and strive for scholarship, leadership, teamwork and good citizenship.

Members made scrapbooks and puzzle cards for veterans' hospitals, and made candles and food for the Campfire Bazaar. Interest in the camp was furthered by a skating party and camping trip held early in February. The club sponsored an after-the-game dance and tags for the Painted Post game.

The purpose of the Girls' Science Club is to promote an interest in science and scientific endeavor in the school and the community. This club has been an active member of Hornell High School's activities for a number of years.

This year they held an initiation party to welcome the new members. They visited the Steuben County Laboratory at St. James Hospital to study the duties of a bacteriologist. A tour of the Hornell Industries gave members an opportunity to view first hand the dying and printing of fabrics.

<i>Adviser</i>	-	-	-	-	-	-	-	-	MR. DELAIR

This year, as in other years, Alpha Hi-Y has continued to conduct numerous activities, both for the benefit of its members and the community as a whole. The club has inducted into its midst some of the most outstanding boys in the school. Among its more enjoyable and useful projects were the sponsoring of a very successful social, the contribution of a membership to the Y. M. C. A. to a needy boy, the baling of old clothes for the Victory Clothing Drive, and the holding of a sumptuous banquet in collaboration with the Girls Hi-Y and the Beta Hi-Y.

More important than these, however, the Alpha Hi-Y has attempted to instill in its members a feeling of responsibility toward their school and their community.

This year, as in other years, Beta Hi-Y has done much to promote the interests of its members and the community. The first after-the-game dance was sponsored by Beta, as were several others later in the year. Besides these school dances, the club also held one for its members and their guests.

Meetings were held every other Tuesday night and donations were voted to the Community Chest and the Red Cross, and plans were made to distribute gifts to the Veterans' Facility in Bath.

These activities have done much to make Beta Hi-Y one of the outstanding organizations in the school.

The members of the Aeronautics Club have enjoyed a very successful year. Along with learning the parts and mechanism of airplane motors, they have studied the fields of meteorology and weather. But the biggest thrill of all came when each boy repaired a broken motor with his own hands and once again heard the sound of a perfect engine.

The group has taken several trips to the local airport and has made plans to fly from Rochester to Buffalo to inspect the Curtis Wright airplane factory. These boys, who are learning today, will be the navigators and mechanics of our air world of tomorrow.

The Artisans, under the direction of Mrs. Van Orsdale, have sponsored all in-coming and out-going art exhibits. Among these exhibits were one-hundred and fifty reproductions of paintings from The Colonial Art Company, Oklahoma City, a group of finger paintings and also a Medical Art Exhibit by Philip Johnson, a former student of Hornell High School.

This year's program has included a trip to Buffalo where the members visited Albright Art Gallery, the Museum of Science, the Historical Building, and other places of art interest. The Artisans also sponsored a trip to Alfred where they toured the Ceramic Art Building to see an exhibit on handicraft from South America.

A successful season has come to a close and the Artisans look to the world of tomorrow with eagerness and high hopes that freedom-loving people may once again find interest and keen appreciation in the wider field of art.

I'm going to miss you next year when you leave. I want you back in all my life. Best of luck in Ohio - But you do remember boys for the dangerous -

The Hornell Chapter of the National Honor Society began its first year in Hornell High School with an installation assembly on March 8. After an unprecedented "tapping" ceremony and the awarding of pins, Miss Harrower, Mr. Dodge, Mr. Cooke, and Mr. Stull explained the principles of the organization—Character, Leadership, Scholarship and Service—on which basis the new members were elected. Then the charter members of the society were installed in an impressive ceremony during which the "light of knowledge" was transmitted to each of them.

The election of members was done by a Faculty Council earlier in the term. In accordance with the constitution it was possible to admit a maximum number of 30 Seniors and 10 Juniors who ranked scholastically in the upper third of their respective classes, and showed satisfactory evidence of good character, leadership qualities, and a willingness to serve.

It is planned that the Hornell Chapter shall be an active group and not merely an honorary society, and that it will prove of service to the school, the faculty, and the student body by encouraging Scholarship, Character, Leadership, and Service.

The Three Mimmers Club has had a very successful year despite the fact that there was a change of advisers. Mr. Bouck was chosen to supervise the group after the resignation of Miss Benz.

Members were taken into the club only after they had participated in the production of a play. "Elmer" was presented to the student body followed by "High School Daze." For the first time, the students had full charge of the scenery, make-up and costumes. A buffet social was held for the members of the club in March.

This eventful year was climaxed by the annual banquet.

The French Club, which in the past has taken in only second and third year French students, has, this year, accepted first year students. Also, those who have belonged to the club but are not now taking French are still honorary members.

At the meetings French games were played, French songs were sung and French plays presented for the members. These activities have succeeded in promoting a better understanding of French culture.

Los Buenos Vecinos, "the good neighbors," completed its second year of existence as a school club this year. The current wave of South American influence has furnished the club with an increasingly important purpose—to be acquainted with the Spanish language, customs, festivals, and traditions.

The club sponsored a social colored by typical South American scenery, and a special feature this year was a Valentine's party complete with Spanish valentines, a one-act play in Spanish, and refreshments.

The Visual Education Club was organized this year for the purpose of furnishing operators for motion picture projectors and other visual equipment, ordering and handling films, and promoting the use of audio-visual material in the school. The organization served also to interest its members in photography and motion pictures.

It is made up of students who have qualified for membership by completing a successful term of apprenticeship and have learned to operate a projection machine or serve the club in some other capacity. Applicants for membership must maintain an average of 75% or above in their studies.

Among its activities are monthly meetings devoted to talks and demonstrations in the art of making pictures. The club sponsored an open house and tea for the teachers and an after the game dance.

The Junior Red Cross is the high school counter part of the American Red Cross. A boy and a girl from each homeroom constitute the membership.

This year articles were collected for gift boxes for children in Europe and over 24 boxes were sent out. Several members did volunteer work at the Red Cross Rooms.

The Club sponsored a benefit movie "That Night With You" and an after-the-game dance. The Junior Red Cross can recall the year 1945-46 as a pleasant and successful year.

The purpose of the Book Club is to distribute a more widespread knowledge of literature in Hornell High School. This year's group has more than fulfilled their aim through their clever campaigns for arousing interest among the students in the many newly purchased books in the school library.

Before being taken into the club, each prospective member is given a personal interview at which time he explains his reason for desiring membership. This year, besides their regular meetings, the club sponsored a tag day.

The Hornell Chapter of the National Forensic League received its charter in 1925. Its purpose is to promote the interests of interscholastic debate, oratory and public speaking by encouraging a spirit of fellowship and by conferring upon deserving candidates a worthy badge of distinction.

There are four honorary degrees—merit, honor, excellence, and distinction. Chapters are graded according to the number of members and honorary degrees obtained. This year Hornell is the leading Chapter in New York State, having attained 313 members and degrees.

Hornell has carried on various debates and round table discussions with other schools in Steuben and Allegheny Counties. It has participated in the American Legion contest and has had several local contests. It was host to the National Forensic League tournament of Western New York.

The Youth Council was formed three years ago for the purpose of establishing a much demanded youth center. The Y. M. C. A. and its Board of Directors generously remodeled and refurnished one of their rooms for this purpose. Since then, it has been outfitted for ping pong, pool, dancing, checkers, chess, cokes, and chatting.

The Council consists of a boy and girl from each class elected annually. They formulate the policies of the center, plan its social events, and are responsible for the successful management of this popular spot. During the past year they have conducted a membership drive, made plans for future remodeling and improvement, and sent delegates to a state convention at Fredonia.

THE VOLCANO

VOLCANO COMPLETES TWENTY-THIRD YEAR OF CONTINUOUS PUBLICATION

The Hornell High School *Volcano* has completed its twenty-third year of publication with many innovations. Featuring an eight page edition for its Christmas issue,

the paper announced the election of its new staff officers. Four new offices were created this year to lessen the responsibility upon the original editors.

Although the *Volcano* has always been a student publication it has never been entirely unsupervised. This year, however, the staff published two editions upon its own.

They placed suggestion boxes throughout the school so that students might voice their opinions on school life through the paper.

Again, they have undertaken the job of sending the paper to former Hornell students now in the service. Their mailing list has reached the hundreds and touches almost every part of the globe.

MIXED CHOIR

Under the supervision of its director, Mr. Sprague, the Hornell High School Mixed Choir has provided enjoyment to both its members and the audiences for whom it performed. It is composed of students selected after individual auditions with the director.

A student government within the choir attends to all the business matters of the group. Letters and pins are awarded for service at the end of the school year.

Persistent and patient training has made this group the highlight of many high school programs. It has entertained at its annual concert, a joint concert with the band, and assembly, and the Baccalaureate Service.

BAND

Continuing their proud traditions, the Hornell High School Band members gave their services to the student body with their customary finesse and color.

The musicians were on hand for all the football games to lend the encouragement of their playing to the team. Their music was also heard at several parades during the year.

The first concert of the year was given at the Veterans' Facility at Bath, followed by the annual Spring Concert which was held in March. The season was brought to a successful close by a third concert in May.

CHEERLEADERS

OFFICERS

Co-Captains - - - - JACQUELINE TERRY, BETHEL SMITH
 Adviser - - - - - Miss O'NEIL

The cheerleaders enjoyed a successful year under the supervision of Miss O'Neil and Miss Olesch.

From the profits earned by their socials and candy sales, they have purchased smart new uniforms. The addition of several new cheers helped them to spur the football and basketball teams on to further victories. Preceding the Painted Post game, they introduced a novel feature in pep assemblies when they donned the varsity uniforms and did impersonations of the team and Coach Hartman.

The aim of the Girls Athletic Council is to promote good sportsmanship and to cultivate an interest in sports. This year, under the able guidance of Mrs. Sheheen, the Council has once again achieved its goal.

To become a member of the club, a girl must have 50 points toward her intramural letter and be elected by a majority vote of the club members.

The Girls' Athletic Council has furthered the enjoyment of sports and friendship among its members and girls of other schools, through the sponsorship of a playday and a sportsday. Senior girls from Canisteo, Bath, Wayland, and Hornell participated in the playday. The basketball sportsday was attended by girls from Canisteo and Hornell.

The Hornell High School football team for the season of 1945 was a pleasant surprise for all. After discontinuing football for a year, Coach Hartman molded together a team which acquitted itself nobly in all games. Despite its lack of experience, the Red Raiders finished the season in second place in the county.

Next year's prospect is rosy as many of this year's team will be back to fill their old positions.

Although lacking in experience and height this year's edition of the Hornell High School Red Raiders made up for these disadvantages in speed and aggressiveness. After losing two county contests, the varsity came back to whip these same two teams in later games and necessitate a play-off between Hornell and C. F. A. for the county crown. The quint from the Crystal City was victorious due to their ability to retrieve the ball from the backboards.

With only a few members of this year's fine squad leaving, next year's team promises to be one which will long be remembered. It will be led by Captain-elect Don Furlong.

The end of the 1945-46 basketball season found the Junior Varsity with ten wins out of fifteen games.

The Jayvee's started the season with only one veteran of last year's J. V. squad. This, however, did not hinder them from running up the fine record for this year. The new members, under Coach Hartman, were molded into a smooth-working team.

Some of these boys look forward to playing on the Varsity squad next year.

Although the track team had a small schedule, it was able to show that it was one of the finest teams Hornell High School has had in recent years. In their first two meets with Dansville and Alfred-Almond the boys came through to win easily. In their third meet with C. F. A., the visitors' power in the dash events brought them through to victory. In the county meet held at Hornell, the spikemen from Hornell were defeated by C. F. A., who won by the narrow margin of one point. Nevertheless, Hornell placed many men on the team which represented Steuben County at Rochester, and our relay team came home with the Sectional Championship.

With most of last year's team gone, the outlook is not too bright for this year's aggregation, but it is hoped that the coach will be able to develop a good team from the nucleus which remains.

Although Hornell's losses were many and the victories few and far between, the Red Raiders finished out the season with the same spirit and pep which marked their early season play. The team was defeated in the county tournament by C. N. S. who went on to win the sectional championship. A game with Painted Post was played under the lights at Maple City Park and it is expected that this practice will continue during the coming season.

Many underclassmen proved to be fine ball players during the 1945 season and should be very valuable this year.

APPRECIATION TO THE BUSINESS MEN

The Senior Class of 1946 extends its gratitude to the merchants of Hornell for their support in making this yearbook possible. Their advertisements are sincere indications of the interest they take in the school activities.

The members of this class hope that their patronage will be a sufficient tribute to the co-operation and recognition they have received from the business men of Hornell.

THE MAPLE LEAF STAFF of 45-46 extends its sincere appreciation to *The Evening Tribune* for the use of its news photos of high school activities which appear throughout this publication.

*and I wish and
success always
L. H. H. H.*

CONSTITUTION OF STUDENT COUNCIL HORNELL H. S.

PREAMBLE

I believe in Hornell High School and in all for which it stands; in scholarship and the work necessary to attain it; in good sportsmanship; in self-control; in sacrifice and the patience which it involves; in the school spirit manifested in loyalty, devotion, and a high sense of honor; courtesy and respect for the rights and privileges of others, to be shown on all occasions by manly and womanly conduct towards all; in all the things which promote good citizenship in public and private life; in the building of sturdy character, as the only worthy crown of education, that is true and lasting. I pledge my loyal support and the constant use of all my powers to aid my school in obtaining her high ideals.

P.S. I forgot you were moving away at the end of the summer.
May you have the best of luck in meeting new friends also don't
forget us way back here in good old ^{Hornell} ~~Hornell~~. It's been really
sweet know you. Don't forget to write to me at 17 Preston Ave.
Dear Jo. Anne. 
Love,
Shirley

Well, here comes another summer,
I only hope it isn't like the summer
of '44', because I'd hate to have
to stay off the streets again. Last
year it wasn't so bad. I hope this
year tops them all.

He've had some swell times
this winter didn't we? At least I did.
Remember last fall when the players
left, Pauline and myself kept over nights
with you! ^{trying to be exact.} It was fun, I loved sleeping
on the porch, I hope we can do it again
some time. But after the players leave
it gets so darn cold (no cracks) that
we can't sleep out there too well, at least
you too can't.

How's Shorty coming along. I guess
"Billie" has him hog-tied and roped up for
good. He haven't a chance now, have we?

Don't forget to tell your mother to
be home Tuesday afternoon well you?
Well, Fatty, I guess I better close now or
I might write something I shouldn't.
By the way how's Dick, Pat, and all the others.

Love and kisses
"Patty Anne"

Best of luck
